

NOTRE DAME WINE ACADEMY

Trinitas Cellars is a proud founding member of the Notre Dame Wine Academy. This program highlights the many wonderful wines being produced by Notre Dame families. This new collection of amazing wines is being extended beyond campus to the broader Notre Dame family -- so join us in sharing our family's passion and love for wine.

Owned and operated by two Double Domers, Garrett '09, MBA '10 and Betsy Busch '10, MSA '11. Trinitas Cellars is located in Napa Valley at the Meritage Resort and Spa. Latin for "trinity," Trinitas represents the Holy Trinity, a central Christian concept integrated into the winery's mission and the wine-making philosophy: sun, soil and humanity.

Proceeds benefit financial aid for Notre Dame students and Notre Dame Alumni Association programming.

	BOTTLE	GLASS
CHARDONNAY // 2014 NOTRE DAME (CARNEROS, CALIFORNIA)	49	11
<p>The bouquet is delicate yet rich displaying delicious toasted marshmallows, vanilla bean and the classic Trinitas signature butterscotch. The mouthfeel on the Chardonnay is full and broad. The creamy texture coats your mouth and leads to a lengthy finish. Flavors of freshly popped kettle corn make this a delight and richer notes of crème brûlée, creamed corn, and butterscotch chips.</p>		
MYSTERIAMA // 2014 NOTRE DAME (MENDOCINO/CONTRA COSTA, CALIFORNIA)	49	11
<p>The aromas of cinnamon and allspice just jump out of the glass, followed by the rich fruit notes of cherry preservers and hints of fresh strawberries. The Mysteriama is always known for its bright red fruit flavors and silky smooth finish, this year's is no different. Strawberries dominate the palate and lead into a plethora of other bright red fruits. Towards the finish the wine displays flavors of dark chocolate covered goji berries.</p>
