RESERVE WINE

We highly recommend these reserve wines for a special occasion. Reserve wine traditionally boasts a higher quality and is of limited quantity. It is sometimes saved by vintners for those special moments, rather than being sold.

These selections come from esteemed vineyards and vintners that have a Notre Dame connection.

Morris Inn proudly showcases an individual winery and its unique connection to the Golden Dome at our monthly Sorin’s Wine Academy Dinners. It is an opportunity to hear about the vintner’s time at Notre Dame, and to learn about their winemaking traditions.

In addition, the Quinn Family Room is available for up to 10 people to enjoy private tastings of the Sorin’s Wine Academy feature of the month.

OTHER RED WINES

2013 BARGETTO "LA VITA-CAL-ITAL" RED BLEND // (SANTA CRUZ, CALIFORNIA) 80
Dating back to 1933, John and Phillip Bargetto officially opened this Santa Cruz winery, continuing the family tradition that started in Northern Italy. On the nose you will get cedar, cranberries, fresh ground cinnamon and fruit leathers.

2015 ORIN SWIFT PAPILLON // (NAPA VALLEY, CALIFORNIA) 130
Sourced from hand-picked vineyards across the various Napa Valley AVAs. The label is an image of human hands with the word "papillon" showing. These are farming hands - the hands of one of the nicest, old school vintners in the Napa Valley you will ever meet, Vince Tofanelli. Highly aromatic with notes of ripe black cherry, anise, licorice and shaved dark chocolate.

2017 ORIN SWIFT “EIGHT YEARS DESERT” // (ST. HELENA, CALIFORNIA) 90
Twenty years of Orin Swift being in business, there are vintages they remember and some they would love to forget. Taking a break from making Zinfandel which had some challenges, it would become that eight year break, Eight Years in the Desert It was never if, but when they would make Zinfandel again. That when is now. Heady aromas of brambly raspberry, black fig and peppercorn.
