This North Coast sparkling wine is a Blanc de Noirs, meaning a white or pink wine made from red grapes. A minimal amount of skin contact is carefully managed during the winemaking process to yield this beautiful pink hue. The wine showcases bright aromas of strawberry and melon, as well as hints of spice. Fine bubbles create a creamy and round mouthfeel. Vibrant and fresh fruit is carried through to a crisp, clean finish. Suggested food pairings include seafood and light and creamy cheeses. This wine is perfect to accompany virtual graduation ceremonies! This beautifully colored wine is finished with a distinct packaging element of a gold foil in honor of the Golden Domers.
