

# ROHR'S

## GUEST WELLNESS PROTOCOLS

- All Rohr's associates will be wearing masks and gloves inside the restaurant spaces.
- Guests are asked to please wear masks when moving around public spaces. Masks can be taken off when guests are seated at the table.
- Rohr's is operating at 75% capacity, in accordance with the Indiana Restaurant and Lodging Association Hoosier Hospitality Promise guidelines.
- Reservations are encouraged in order to eliminate overcrowding at the Rohr's entrance.
- Rohr's bar seating is currently unavailable.
- A QR code is provided at each table to view menus. Single-use menus are also available.
- Condiments and additives will be served in individual containers and upon request only.
- All high-touch areas, tables and chairs are sanitized before and after each use. Each area will also be sanitized hourly.
- In addition to hourly sanitization, the Rohr's kitchen is deep cleaned and sanitized at least once per day.
- We have redesigned our seating arrangements to ensure at least six feet of separation between table setups. We will not be able to combine any tables.
- A limited party size of six guests per table has been established as recommended by the CDC and approved by local and state government.
